

Resolution Supporting The State Of Wisconsin's Goal to Replace 25% of its' Electric Power  
and Transportation Fuels with Renewable Resources By 2025

**WHEREAS**, in April 2007, Governor Doyle issued Executive Order 192 creating the Office of Energy Independence (OEI) to take on the challenge of leading the State to replace its' current electricity and transportation energy use with 25% renewable resources by 2025; and

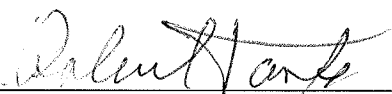

**WHEREAS**, Executive Order 192 marked the beginning of an effort to become the nation's leader in the drive toward energy independence, moving U.S. citizens away from their dependence on foreign oil; and

**WHEREAS**, Wisconsin's natural resources create an opportunity for the State to be a leader in the emerging biofuel and renewable energy market which will create good paying jobs in Wisconsin.

**NOW, THEREFORE, BE IT RESOLVED**, that the School District of Altoona is committed to advancing the State of Wisconsin's vision for energy independence by generating 25 percent of the school district's electricity and 25 percent of its' transportation fuels from renewable resources by 2025.

Adopted this 5th day of January 2009 on behalf of the Altoona Board of Education.
